[For the Roundabout.]
Walt Whitman.

Sing on, bold singer of a heart-felt song!
Thy voice of Truth and Harmony is heard
Where e'er there be one being 'midst the throng
Whose heart is free, unsullied and unblurred,
By vain conceit, and Forms and Customs wrong—
Where e'er there be one soul to catch the word
Dropped from the lips of Nature to each passer by,
The whisper that each heart holds all in unity. H. H. F.

The Best Plaster.

A piece of flannel dampened with Chamberlain's Pain Balm and bound on to the affected parts is superior to any plaster. When troubled with a pain in the chest or side, or a lame back give it a trial. You are certain to be more than pleased with the prompt relief which it affords. Pain Balm is also a certain cure for rheumatism. For sale by J. W. Gayle.

Ex-Franklin County Girl's Romance.

This war has not been without its romances, notwithstanding the short time it lasted. Among the most pathetic which have come under our observation is one in which a former Franklin county girl is the heroine.

Capt. Vernon Johnson, of the Second Missouri Volunteers, was assistant postmaster at his home town of Butler, Mo., when the war broke out. He was engaged to a Miss Batchelor, a daughter of Mr. John B. Batchelor, who lived near the Kentucky Military Institute a number of years since.

When Johnson left for the army he succeeded in having his fiancée opposed to the place in the post-office until he should return.

When the regiment to which he belonged was at Chickamauga Johnson was taken sick with rheumatism, which his physician mistook for typhoid fever, and treated accordingly, aggravating the disease.

When Johnson was brought to Camp Hamilton he was found to be perfectly helpless. His mother and sweetheart came to see him.

So soon as the plucky girl found that, not being his wife, she could

not remain at the hospital to nurse her lover, she insisted on being married to him, which was finally done.

Johnson is perfectly helpless, but his bright little wife cheers him up and will not talk about the trouble.

It is hoped that he may pull through, though his physicians are not at all encouraged about the case.

The Chief Burgess, of Milesburg, Pa., says DeWitt's Little Early Risers are the best pills he ever used in his family during forty years of house keeping. They cure constipation, sick headache and stomach and liver troubles. Small in size but great in results. Tyler & Hemphill.

Distinguished Man Very Ill.

We regret to learn that Judge M. T. Flippin, late Representative from Monroe county, and one of the most highly honored and popular citizens of southeast Kentucky, is lying very ill at his home in Tompkinsville.

Judge Flippin is a polished speaker and an able and scholarly lawyer. He will long be remembered in this city for the eloquent speeches he has delivered in the Legislature.

It is earnestly hoped that he may ultimately recover.

Blizzard Out West.

Sunday and Monday there was quite a heavy storm out west. In Colorado snow fell to some six inches in depth on Sunday. On Monday there was a blizzard in Kansas and contiguous States. By Tuesday morning we had the tail end of it here in the shape of a heavy rain accompanied by sleet, and a decided fall in temperature.

Big Cattle Trade.

The fine little city of Mt. Sterling has always enjoyed a big cattle trade. But the court day sales last Monday rather got away with any heretofore experienced. There were some 3,500 cattle sold, the price varying from 2 cents for very inferior grades up to \$4.65 for export stock.

Mt. Sterling is a good town and we rejoice in these evidences of good times.

Dr. Miles' Nerve Plasters for Rheumatism.

Farmers' Institutes—Series 1893.

To be convened under the auspices of the Kentucky Bureau of Agriculture, at the courthouse in Richmond, county of Madison, Friday Dec. 2, 1893.

Three sessions will be held during the day. Morning session opens at 10 o'clock; afternoon at 1:30, and evening at 7:30. Stereopticon illustrations on the lectures will be given at the evening session.

LECTURERS.

An able corps of lecturers will be on hand, who will discuss subjects of interest to the farmers from a practical standpoint. Among others will be the following:

Prof. M. A. Seovell, Director of the Agricultural Experiment Station, who will talk on the work of the Station and what it is doing for the farmer.

Prof. H. Garman, Entomologist of the Station, who will talk on Insect and Fungus Diseases of Crops.

Prof. Miller, Professor of Geology Kentucky A. & M. College, who will talk on Geology and its relation to Agriculture.

Prof. C. W. Mathews, Professor of Horticulture Kentucky A. & M. College, whose subject will be the Garden and Orchard.

Mr. E. W. Robinson, of Missouri, an extensive breeder and feeder of swine, who will talk on the Care, the Feeding and the Breeding of Swine.

Mr. W. W. Stevens, of the Indiana State Board of Agriculture, who will talk on the fertilization for wheat with clover and leguminous plants, and on other matters pertaining to successful wheat growing.

Mr. M. F. Johnson, President of the State Horticultural Society, will lecture on "The Pleasures, Profit and Possibilities of Fruit Growing in Kentucky."

An attaché of the Office of Road Inquiry, National Department of Agriculture, is expected to be present and will talk on the subject of Highway Improvement, or "Good Roads."

Unavoidable causes may prevent the presence of some of the above named gentlemen, but their places will be supplied wherever possible.

These meetings are educational and are devised for the purpose of bring-

ing the farmers of the communities together for an interchange of ideas for the improvement of methods in agriculture.

No farmer can afford to neglect these meetings. The lecturers are practical men, thoroughly versed in the subjects they discuss, and you will undoubtedly get from them and your neighbor farmers in attendance some suggestions that will be of value in the future.

Come out and take part in the discussions that will follow each lecture. Bring the family. Don't forget the boys. Talk institute to every farmer you meet and get him to promise to come. Remember the date. Hear every lecture. Special invitation to ladies.

LUCAS MOORE,
Commissioner of Agriculture.

Thousands of persons have been cured of piles by using DeWitt's Witch Hazel Salve. It heals promptly and cures eczema and all skin diseases. It gives immediate relief. Tyler & Hemphill.

Fine Sport.

Mr. Richard Crutcher and Officer Z. T. Thomason went to Anderson county last week on a bird hunt. In three days they killed 183 birds.

They say that birds are unusually plentiful this season. They came home Friday night and on Saturday gave a bird dinner to the city officials and police officers, which was hugely enjoyed by all present.

They hope to have another hunt before the season runs out. A ready the good results of the short season is seen in the increase of birds.

Indicted.

U. S. Senator M. S. Quay, of Pennsylvania, his son, Richard, and ex-Sate Treasurer Hayward, of Pennsylvania, have been indicted by the grand jury of Philadelphia for conspiring to wreck a bank.

If these charges are the result of political rancor and unfounded, they should be dismissed at once. If, however, these men have done the things charged, they should be convicted and punished. No matter how high or how low a man may be, if he is a thief, he should be punished.

Miraculous Benefit RECEIVED FROM Dr. Miles' New Heart Cure.

ELI P. BABCOCK, of Avoca, N. Y., a veteran of the 3rd N. Y. Artillery and for thirty years of the Babcock & Munsel Carriage Co., of Auburn, says: "I write to express my gratitude for the miraculous benefit received from Dr. Miles' Heart Cure. I suffered for years, as result of army life, from sciatica which affected my heart in the worst form, my limbs swelled from the ankles up. I bloated until I was unable to button my clothing; had sharp pains about the heart, smothering spells and shortness of breath. For three months I was unable to lie down, and all the sleep I got was in an arm chair. I was treated by the best doctors but gradually grew worse. About a year ago I commenced taking Dr. Miles' New Heart Cure and it saved my life as if by a miracle."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.

A Heap of Coal

That is burned in this town is but half coal and half dirt and slate. If your coal doesn't burn to a good clean ash—if it clinkers and clogs your grate, there is something wrong about it. There is no need of burning that kind of coal. I am ready to sell you "coal that's all coal." If you want slate buy it separate—it's cheaper. Let me have your next order.

MATRIMONIAL.

PRATT-LEWIS—One of the prettiest home weddings of the season was the "Chrysanthemum wedding" which was solemnized at the home of Dr. and Mrs. R. B. Lewis, at Flint Hill, Wednesday, November 9, at 7:30 a. m. The contracting parties were Miss Margaret Lewis and Mr. B. E. Pratt, of Vandalia. The ceremony was conducted in an impressive manner by Rev. Latham, of Troy. Only relatives and a few intimate friends were present. The bride looked lovely in a cloth traveling dress and the groom handsome in the conventional black.

The presents were numerous and elegant. Mr. and Mrs. George Meyers, of St. Louis, presented them with a cabinet of gold lined silver, containing 200 pieces, carrying out in design the "Chrysanthemum" idea in moulding and engraving.

A number of handsome silver pieces were given. Also a silver monogram on a dainty silver chrysanthemum clasp, containing \$200. The parlors were handsomely decorated with English ivy and chrysanthemums.

Her attendants were her charming sister, Miss Jennie Lewis, and Mr. J. Rice, of Vandalia. A sumptuous wedding breakfast was served, and immediately after the happy couple left for their home, Vandalia, where a reception will be given them this evening. Mr. and Mrs. Pratt have a host of friends who extend congratulations and best wishes for their health and happiness. May their future life be one long summer day. — St. Charles Banner-News, Nov. 10, 1904.

Creeping Consumption

Do not think for a single moment that consumption will ever strike you a sudden blow. It does not come that way. It creeps its way along.

First, you think it is a little cold; nothing but a little hacking cough; then a little loss in weight; then a harder cough; then the fever and the night sweats.

The suddenness comes when you have a hemorrhage. Better stop the disease while it is yet creeping. You can do it with

Ayer's Cherry Pectoral

You first notice that you cough less. The pressure on the chest is lifted. That feeling of suffocation is removed. A cure is hastened by placing one of

Dr. Ayer's Cherry Pectoral Plaster over the Chest.

Y. M. C. A. NOTES.

The many excellent addresses, earnest prayers and other helpful features of the special meetings held last week in the local Association rooms, were very much appreciated by the young men who attended these "Week of Prayer" services.
Mr. Frank D. Bull spent last Sunday in Lexington as the guest of Secretary D. D. Taylor, of the Railroad Department Y. M. C. A., and in the afternoon sang at the service held in the rooms of the city Association, and subsequently at the meeting for railroad men. He was greeted with appreciative audiences at both Associations.

An earnest talk was given by Captain J. J. Nelson at the Association rally Sunday afternoon. Interesting remarks were also made by Prof. D. R. Goble, of Georgetown.

The Association is indebted to the following friends for recent donations to the Y. M. C. A. Library: Mrs. Wm. Cronwell, Mr. W. G. Chapman, U. S.

Senator Wm. Lindsay. The library now contains about three hundred volumes and is greatly appreciated by the young men.

To-morrow afternoon at 3:30 o'clock a praise service will be held in Y. M. C. A. rooms. Special musical program has been arranged. Several members are expected to participate in this service. Come and bring your friends and make this a praise service indeed.

To Meet Here.

Through the exertions of Miss Pauline H. Hardin, State Librarian, the National Librarians' Convention has determined to meet in this city next year.

Miss Hardin deserves credit for having secured the Convention for this city.

Christopher Layton, sr., the Mormon patriarch, who was buried recently in Kaysville, Utah, glorified in the fact that he was the father of sixty-five children. Accidental Shooting.

On Wednesday last Mr. Edgar Branson, a young man living at Thorn Hill, was out near Steadman town hunting. He had his gun cocked and on his shoulder. He attempted to light a cigarette when the gun slipped, and, in endeavoring to catch it, it was discharged, the load taking effect in his throat and jaw, tearing a big hole.

A young friend by the name of McDaniel, who was with him, picked him up and carried him on his back from the place where he was shot to his home at Thorn Hill—a long distance.

A physician was at once summoned and the necessary surgical aid rendered.

At our last news Branson was slowly sinking, and but little hope of his life being saved.

Thanksgiving Day.

Thursday last was Thanksgiving Day, and was very generally observed in this city.

Services were held at the Christian, First Presbyterian, Episcopal and Catholic Churches, and all were well attended.

The day was an ideal one, being bright, frosty and full of snap.

Nearly every youth who could secure a gun, and many without, took to the woods and, alas for the Molly Cottontails.

In the afternoon nearly every business house in the city was closed in order to give their employes a chance to eat their Thanksgiving turkey at leisure.

Forks of Elkhorn.

Winter has finally made its appearance, much to the regret of many.

Misses Mattie Lee and Lizzie Featherston were the guests of their grandmother last week, but have returned to their home, near Lexington.

Misses Lattie and Sallie Lucas and Messrs. Frank Forsee and Stuart Lucas visited Mrs. Cannon and family at Oxford, last week.

Mesdames Tom Newman and Kate Mahoney spent last Thursday at Mrs. Llewellyn Holton's.

Mr. D. Morris Brock is spending the Thanksgiving holidays with his parents, Mr. G. M. Brock and wife.

Miss Sallie Samuel, of Stamping Ground, has been the guest of Miss Annie South for the past two weeks.

Mr. James Alley and wife, of Frankfort, are spending several weeks in the country.

Miss Roberta Moore went to Georgetown to spend Thanksgiving with her grandmother.

Mrs. James H. Polsgrove and Miss Ruby Gatewood spent part of last week with Mrs. J. L. Holton.

Amusements.

R. N. Stephens' clever romantic drama, "An Enemy to the King," in which E. H. Sothern scored his greatest success, is to be presented at the Capital Opera House Tuesday night, Nov. 29, by a company of exceptional merit, headed by John Griffith. This company was carefully rehearsed and coached at the Lyceum Theatre, New York, before starting on tour, by E. H. Sothern, who was playing there at the time, and comes to this city flushed with the victory of success, honestly won.

"An Enemy to the King" presents a thrilling story of chivalry and adventure, of startling incidents, heroic deeds, brilliant, daring and intense human heart interest. It is framed in a sumptuous setting and picturesque environment. The stage pictures are marvelous in their blended beauty and effectiveness, and action is conveyed through each and every one of them.

Fire Wednesday Night.

An alarm sounding three was rung on Wednesday night, shortly after nine o'clock, from the fire alarm bell, which called the department to the office of Dr. J. B. Hadden, over Weitzel & O'Donnell's store, on Main street. The carpet in front of the grate was found to be on fire. A few buckets of water extinguished the flames with about \$74 loss.

Handsomely Entertained.

On the eve of his leave-taking of bachelorhood, popular John R. Sower was royally entertained by the Golden Hour Club, of this city, with a banquet. Mr. Sower has been a member of the club since its organization, in December, 1894.

A swell dinner was served, which consisted of all the substantial and delicacies of the season.

A delightful time was had by all present. All members were present except two, who now reside in another city, and two were prevented from attending by important business engagements.

Thanksgiving at the Prison.

The Christian Endeavor societies of Louisville, Winchester and Lexington came to this city on Thursday in full force and held a service of thanksgiving in the chapel of the prison.

After the services a thanksgiving dinner was served to the prisoners.

The prisoners were given the whole day as holiday, and enjoyed it fully.

Sentence Commuted.

On Wednesday last Governor Bradley, in compliance with the request of the Judges of the Court of Appeals and a large number of citizens of the State, commuted the sentence of George Portwood, who murdered Richard Purkins, in Lexington (and who was sentenced to hang on the 30th of this month), to imprisonment for life.

Practical Religion.

On Thanksgiving Day the poor were remembered in a practical way, and given cause for thanksgiving by the donation of provisions, &c., at the First Presbyterian and Episcopal Churches.

A collection was also taken up at the Union Service at the Christian Church, and the proceeds will be devoted to relieving the wants of the poor. This is practical religion.

FRANKFORT, NOVEMBER 26, 1898.

In Memoriam.

To Carl Dixon, late Arsenal Keeper, and son of Lieut. J. K. Dixon, of the Third Kentucky, who departed this life Sunday, Nov. 13th, 1898:

Borne away in the flight of the angels,
Released from the suffering clay,
Back through the Gates eternal,
Mother's boy went home one day.
O'er the trackless waters, dreary,
The dove could find no sod.
And in the evening, storm-tossed,
weary,
Flew back to the Ark of God.

Though loving hands cooled the fevered brow
And nursed life's flickering flame,
His eyes are closed in calm sleep now,
His body out of pain.
Though a link in the chain is broken,
God in his love knows best,
The last sweet smile was a token,
That the loved one was at rest.

Oh! wish not for the absent back,
He has gone to the land beyond;
No more will pain his body rack,
His hands not thin and wan.
Some day mother's boy will meet her,
O'er on the other shore,
And with angel bands will greet her,
To be parted nevermore.

Borne away in the flight of the angels,
Released from the suffering clay,
Back through the Gates, eternal,
Mother's boy went home one day.
O'er the trackless waters, dreary,
The dove could find no sod,
And in the evening, storm-tossed,
weary,
Flew back to the Ark of God.

The last of the soldiers left Lexington on Monday. The Seventh Immunes have gone to Macon, Ga. They were the last regiment remaining at Lexington.

Appointed.

Beats the Klondike.

Mr. A. C. Thomas, of Marysville, Texas, has found a more valuable discovery than has yet been made in the Klondike. For years he suffered untold agony from consumption, accompanied by hemorrhages; and was absolutely cured by Dr. King's New Discovery for Consumption, Coughs and Colds. He declares that gold is of little value in comparison with this marvelous cure; would have it even if it cost a hundred dollars a bottle. Asthma, Bronchitis and all throat and lung affections are positively cured by Dr. King's new discovery for Consumption. Trial bottles free at J. W. Gayle's Drug Store. Regular size 50 cents and \$1. Guaranteed to cure or price refunded.

Arrest of J. A. Schree, a Tobacco Buyer of Owen.

Deputy United States Marshal Con. McCarty last Thursday arrested at Frankfort, in Owen county, J. A. Schree, charged with passing counterfeit half dollars.

It seems that Schree's arrest has caused a sensation at Owenton, this city and Cincinnati, where he is known as a tobacco buyer. The specific charge against him is that he passed counterfeit half dollars on a river excursion from Hatz to High Bridge last July. The bogus coin is said to have been manufactured by Radner and McCardell. The latter was held over before United States Commissioner W. G. Chapman, in this city, October 8 last. Rudder, it seems, has eluded arrest. He was sent up from this city in the Federal Court about six years ago for counterfeiting, serving his term in the Indiana Prison. South. He was released about a year ago. Counterfeit halves to the amount of \$50 have been reported in circulation along the Kentucky river since early in July.

\$500 REWARD

We will wager \$500 that no bicycle manufacturer in America is producing a High Grade Bicycle equal to or better than the American Special, on which has been placed a price of \$50 and is offering to the general public, to suit all. Further, that our

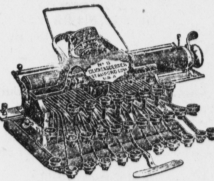

BICYCLES AT

\$17.50 \$22.50 \$30.00 \$35.00

Are better bicycles than can be bought in America for the same money.

We employ no travelling men, issue no expensive circulars, sell our entire output to the riders for cash only, have no bad debts, therefore, can sell BICYCLES 100 per cent. cheaper than any manufacturer in the United States. We never deceive the public. No one can succeed in so doing. Our bicycles are sent subject to approval without any advance whatever. We expect to sell 10,000 bicycles in 1898 and we only want to make \$1.00 each. We much prefer to sell 10,000 at a profit of \$1.00 each than 1,000 at \$10 each. Any prices above ours made by other concerns are made so by extravagant expenses, and don't let anyone convince you that you should pay for extravagances and bad debts of others. Buy of the maker and save your money. SEND FOR CATALOGUE AT ONCE.
